

Industrial Valves

- Gate, Globe, Check, Butterfly, Floating & Trunnion Ball
- API-6A and API-6D
- Shutoff Pig Valves
- Pressure Seal

Valve Automation

- Electric multi-turn, quarter turn and linear
- Pneumatic quarter turn and Linear
- Positioners, switches & transmitters

Control Valves

- 2 and 3-way Globe
- Ball and Eccentric Plug
- Sliding Gate
- Remanufactured Fisher, Orbit, Norriseal, Bettis
- Positioners
- Pilot and direct acting regulators

Severe Service Valves

- Metal-Seated Ball Valves
- Steam Conditioning
- Process Bypass
- Heater Bypass
- Stop-check
- Diaphragm

Steam Specialties

- Desuperheaters and Steam Attemperators
- Steam traps, Regulators, Separators, Silencers
- Vacuum Breakers, Air vents
- Packaged Heaters
- Condensate and BFW pumps

Instrumentation

- Arctic Rated Pressure & Temperature Switches
- Flow, Pressure, Temperature & Level Transmitters
- Pressure and Temperature Gauges

Pressure Protection

- Safety Relief Valves
- Pressure & Backpressure regulators

Heat Transfer

- Shell & Tube, Plate & Frame and Brazed Plate Heat Exchangers
- Replacement Tube Bundles, Plates and Gaskets
- Corrosion Free Packaged Cooling Towers

Pipeline Auxiliaries

- Wye, Basket & Duplex basket strainers
- Tee & Temporary Strainers
- Orifice Plates, Spectacle & Blinds Flanges
